Rebate of FSA Regulatory Fees for 2008/9

If you are questioning the value of remaining directly authorised as your fees and PII premiums rise, prospects and products become more scarce and the scrutiny of Treating Customers Fairly becomes a reality then we have the solution.

When times are tough network membership comes into its own as we allow you to focus on developing sales and looking after your customers whilst we provide the products, services and support.

Key points about our network:

- No regular monthly network fees
- Whole of market lender panel – you can trade as Independent
- Wide panel of life & general insurance
- High procurement fees and commission rates
- Trigold with full electronic case submission
- Wide panel of ancillary products – more sales opportunity
- Full training & competence supervision
